**WORLD MEETS POLAND 2017 -
Cooperation Platform for Polonia
and Poles Abroad - 24-28 April 2017**

2017-04-13 07:25:17

As an accompanying event during the trade fair, the 1st Cooperation Platform for Polonia and Poles Abroad supports with its formula the development of companies, which are willing to expand their businesses into foreign markets, particularly into the Polish market, in acquiring new clients, partners, sales representatives, suppliers, investors, and even employees.

Poland has become another partner country of the Hannover Trade Fair 2017, the largest industrial trade fair in the world.

An open event **World Meets Poland** offers a wide range of cooperation with nearly 6,000 exhibitors and 200 000 visitors at the trade fair. Representatives of about 70 countries from all over the world are planned to participate in the event.

Foreign companies can obtain invaluable information about the Polish technical thought, Polish market, strength of the Polish economy; they can intensify contacts and trade relations with Poland.

Polish companies use the knowledge and experience of engineers and technicians professionally active all over the world, and want to win partners and associates for their international projects.

The platform is designed to facilitate and intensify networking, to allow for exchange of experience in implementation of innovations as well as in development and transfer of new technologies; it is to highlight the synergy resulting from the collaboration of partners from around the world with Polish entrepreneurs, scientists, engineers, and technicians.

Detailed information on the event is available at the website:
