**Grupa Azoty Zakłady Azotowe "Pulawy" S.A. has been a leader of the Polish fertilizer and chemical industry for over 50 years.**

Company aims to diversify the raw materials and products as a result of innovative investment. New investments could be made willingly in collaboration with investors from outside using technologies that generate cooperation between our company and investor.

Grupa Azoty Zakłady Azotowe "Pulawy" S.A. is interested in cooperation possibility with potential investors, both in terms of technology as well as providing raw materials based on Pulawy Subzone and Pulawy Industrial Park semi-finished and finished products.

Due to the specific activity, closely related to the chemical synthesis, the Pulawy Subzone of Starachowice Special Economic Zone is a perfect location for investors, whose undertaking can be realized in cooperation with our Company, based on a broad basis of products manufactured in Pulawy, available here unique media and feed stocks. The Pulawy Subzone is also open to investors from other branches, not related to chemical sector, but willing to cooperate with Grupa Azoty Zakłady Azotowe "Pulawy" S.A.
